EXECUTIVE DIRECTOR REPORT

DATE: May 08, 2014

TO: Catherine Payne, Chairperson

FROM: Tom Hutton, Executive Director

AGENDA ITEM: Presentation of Executive Director’s Report: Update on Charter Schools’
Notices of Deficiency

The following written notices and updates are to apprise the Commission of certain developments, create a public record of these developments, and resolve items that were still pending in previous Commission minutes.

NOTICES OF DEFICIENCY PENDING

No Notices of Deficiency (“Notices”) were issued since the last Commission General Business Meeting. There is still one Notice still pending as staff continues to work with the school to resolve the issues raised.

On January 31, 2014, West Hawai’i Explorations Academy was issued a Notice for not submitting a Schoolwide Plan and Comprehensive Needs Assessment by a December 30, 2013 deadline. The school still is attempting to discuss its Focus status under Strive HI with the Department of Education. The school is still in discussion with the Commission to address the requirements of the assessment.
